

Larry served as County Chairman with honor and distinction in my hometown for almost my entire time in Congress. He spent a career leading the Delta Faucet factory in Greensburg. The impact he has made in Decatur County cannot be overstated. Without a doubt, our state is better off today because of his extraordinary leadership and service.

On a personal note, I've known Larry and his wife, Shirley, since childhood. Their kids went to school with my brother and me, and their family has always been exceptionally kind to us.

The Meyers were also among my earliest and most vocal supporters. I want to thank them for their friendship and support of my work in Congress. I wish them continued success in all that God has planned for them and their family.

TRIBUTE TO OPERATION RECOGNITION CLASS OF 2018

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. CALVERT. Mr. Speaker, I rise today in proud recognition of the Operation Recognition Class of 2018. Operation Recognition is a program organized by the Riverside County Office of Education, with assistance from the Riverside County Department of Veteran's Services, that presents diplomas to residents of Riverside County who missed completing high school due to military service in World War II, the Korean War, or the Vietnam War, or due to internment in WWII Japanese-American relocation camps.

Riverside County's Operation Recognition is modeled after programs implemented in other states. Numerous county offices of education and school districts throughout California operate similar programs. The programs are yet another way to express our appreciation and gratitude for the significant contributions and sacrifices made by our veterans.

The Operation Recognition Class of 2018 includes: Raymond Guzman Casares, U.S. Marine Corps, Korean War; Jerry Kenneth Arnold, U.S. Marine Corps, Korean War; Steve P. Stone, U.S. Army, Vietnam War; "Ron" Robert Jackson, U.S. Coast Guard, Korean War; Jack Stanley Griner, U.S. Navy, World War II; Charles John Whatley, U.S. Army, World War II; Pat S. Baca (posthumously), U.S. Army, World War II; Kenneth Bruce Weiner, U.S. Army, Vietnam War.

On behalf of all Riverside County residents and a grateful nation, I want to thank these veterans for their service to our country and congratulate them on being part of the Operation Recognition Class of 2018.

RECOGNIZING JOSEPH C. CALIO, JR.

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. SHUSTER. Mr. Speaker, I rise today to recognize the life and service of Joseph C. Calio, Jr. of Chagrin Falls, Ohio, a decorated

World War II Hero who recently passed away peacefully at the age of 96. Mr. Calio was emblematic of the young soldiers who fought and won that great conflict, then humbly returned home to lead productive lives and raise solid families as part of our country's so-called "Greatest Generation."

Joe grew up in the deprivation of the Great Depression and was called to duty in World War II with the 95th Infantry Division of the United States Army. For his courage and valor in battle, he was honored with several awards including the Bronze Star Medal, World War II Victory Medal, Combat Infantryman Badge, and Honorable Service Lapel Button.

Upon returning back to Ohio, Joe served for 40 years as an Auxiliary Policeman in the town of Lyndhurst where he was also a long-time participant, quarter master, and post commander of a local VFW Post. Along the way, he and his late wife Susan raised four children—Mary Ann, Joseph C. III, Nicholas, and Susie—who blessed their lives with 11 grandchildren and 7 great grandchildren.

Sadly, we lose nearly 400 veterans per day, like Mr. Calio, who bravely served our great nation in World War II. According to the U.S. Department of Veterans Affairs statistics, less than 500,000 of the 16 million Americans who served in that War remain alive. We owe them a great debt of gratitude for their efforts, and shall never forget the sacrifices they made.

So I am honored to help celebrate the noble and meaningful life of Joe Calio, as I believe his selfless dedication to country and community is something many of us can learn from in our own lives. The impact of his service is sure to continue through the achievements of his remarkable family who, while saddened by his passing, proudly carry on his distinguished legacy.

HONORING MARCIA PARKER

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. MESSER. Mr. Speaker, I rise today, on behalf of the entire 6th Congressional District of Indiana, to recognize Marcia Parker for her contribution to our state and Hancock County.

Marcia has served Hancock County with honor and distinction for years. I have spent time with her at almost every Republican event I've attended in the county over the past six years. It's been an honor to get to know Marcia and to work with her to advance our shared Republican values.

On a personal note, Marcia is among my favorite people that I met on this journey in Congress. She is smart, strong, honest, and loyal. Although we occasionally disagree, with Marcia, you always know where you stand.

I will be forever grateful for her friendship and support of my work in Congress. I wish her continued success in all that God has planned for her family.

His wife, the former Shirley Joyce Meier, whom he married on May 24, 1946, died March 20, 2003, after 57 years of marriage together. He is survived by his three sons, Sam (Edna) Lanza of White Oak, Pa.,
